

It was shared with me the other day I do things the 'old way'. I'm a cash guy. I like to carry cash. I was told no one does that anymore unless they are older. Well, I'm older. Their point was that if we indeed take an offering and people don't have cash, they can't give or don't know if there are options.

So I was asked to let you all know there are options. You can tithe on line. You can go to our web site

**Holyspiritcommunitychurch.org**

And there on the top of the home page you'll find a button that says on line giving.

If you hit that it will take you to the page that is SECURE and walk you through the steps. You can make it a one time gift or set it up for once a week, once a month or however you'd like.

I caution you to remember this.

Don't do it if its not with a joyful heart. This is God's house and He has maintained it all the years we've been here. If you give without a joyful heart it may stop the blessings God has for you.

Think about it and if you need help navigating (like us old folks) there is someone who can help.

I should share with you all of this came from and much younger person who desires to draw closer to the Lord and believes this is one of the ways they will.

I will do it on line, but I still like my cash. ☺

We have been given permission to park in the west lot, they keep the snow off and salt when necessary. But. We park there at our own risk, so please BE CAREFUL when you walk.
