ORDER OF SERVICE
HOLY SPIRIT COMMUNITY CHURCH

Welcome
Opening prayer

WORSHIPPING
Through music.

Stand, sit, sing loud or quiet. This is a time to draw close to the Lord. Let the spirit fill you up and know His grace and Love.

KOINONIA

All of us are broken. We come together to bring praises and requests before the Lord, as He is the only one who can fix us.

Offering as a form of worship

Todays message:

Can we improve it?

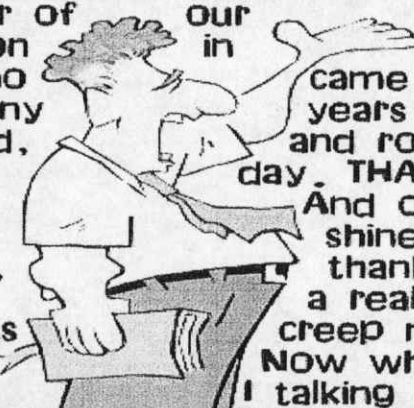

Ephesians 4:25-5:2

Make sure to greet one another today.

We have been given permission to park in the west lot, they keep the snow off and salt when necessary. But. We park there at our own risk, so please BE CAREFUL when you walk.

The Back Pew - Jeff Larson

and so oh great and holy God of our father Abraham we beseech thee in name of Jesus Christ, savior from our sins, lover of our souls, 2nd person in the holy trinity who came to Earth those many years ago, lived, died, and rose on the 3rd day. THANK-U-JESUS. And oh Holy Ghost, shine in me, intercede, thank you yer not a real ghost cuz ghosts creep me out. -pause- Now what was I talking about?

Lester was always willing to open Bible study with prayer. BUT he does bring a whole new meaning to PRAY WITHOUT CEASING.

When new folks come and we start Koinonia they wonder what its all about. When I share that its like prayers and praises other churches have they understand. Sometimes when we do things long enough they morph into other things.

By definition it means, intimate spiritual communion and participative sharing in a common religious commitment and spiritual community. I think when we go into very deep detail we lose the intimate part, and people are confused as to what they should pray about.

An example of this would be sharing every medical obstacle Bob has experienced in the last several months and the stress Laurie is under, in doing so we confuse the participation of the prayer.

Better put would be *let us continue to life Bob up for healing and God's peace for Laurie.*

Let us draw back to that intimate spiritual communion with one another.
